BOOKMOBILE ROUTE

January thru April 2018

Markham Public Library's Bookmobile travels throughout the City of Markham and Posen bringing the library to your neighborhood and businesses. Our collection has grown with many items for all young and old, so come on and take advantage of your local mobile library. If you don't own one, we encourage you to apply for a library card so you can experience Markham's Bookmobile. Library cards can be acquired at the library as well as on the Bookmobile for Markham and Posen residents for free!

Let's all work together to continue to make the Bookmobile a success!

To schedule a stop at your facility or neighborhood, contact the Markham Public Library at (708) 331-0130.
